

PhD Predrag Stančić, Full Professor

He was born in Kraljevo, Serbia, in 1954. He graduated from the Faculty of Economics in Kragujevac in 1978. He finished his postgraduate studies in Business Economics at the Department of Financial and Accounting Analysis of the Faculty of Economics in Belgrade in 1985. He defended his doctoral dissertation at the Faculty of Economics in Belgrade in 1994. He has been employed at the Faculty of Economics in Kragujevac since 1978, conducting lectures on Accounting, auditing and business finance for the courses Business Finance (undergraduate study), Corporate Financial Restructuring (graduate study), Strategic Financial Management (doctoral studies).

The field of scientific endeavour is accounting and business finance (the effect of long-term investment and financial decisions on the value of the company). So far, he has published more than 70 scientific papers at home and abroad. He was a mentor or member of the review panels for Master's degree papers and doctoral dissertations. He has actively participated in applied research by conducting or taking part in a number of various studies. He is a participant in several fundamental research projects and international projects.

He held several regulatory and managerial roles at the Faculty of Economics (Vice Dean for Finance, Chairman of the Faculty Support Team, Chairman of the Doctoral Study Committee, Head of the Department of Accounting, Auditing and Business Finance). At the University of Kragujevac, he served as the Director of the Centre for Interdisciplinary and Multidisciplinary Studies (2002-2003) and was an appointed Senate member (2009 -).

He stayed at the London School of Economics and Political Science in the United Kingdom. On numerous occasions, he realised study visits at universities in Poland, Greece, Bulgaria, Slovenia, Italy, Slovakia, Austria, Netherlands, Denmark, Croatia, the Italy and Czech. He is a member of the Programme Council of the international journal *e-Finanse*, Poland. He is engaged as a Visiting Professor at doctoral studies at *FTHM* – Faculty of Management in Tourism and Hospitality, University of Rijeka, Croatia. He is a member of the Scientific Association of Economists of Serbia, Serbian Association of Economists and Serbian Association of Accountants and Auditors. He is a certified accountant and licensed auditor and an expert witness in the field of economics and financial matters. He speaks English and Russian.
